CORAM : S.C.DHARMADHIKARI, J.

DATE : 21th September 2006

PC :

1. Although applications are styled as one for restoration, they are in effect seeking review of

this Court's order dated 30th January 1999.

2. Shri Kanuga appearing in support of this application submits that this Court disposed of a group of matters by a common order but the facts in the case of present applicant i.e. petitioner in Writ Petition No.392 of 1997 are not identical. He indeed possessed a licence.

3. In my view, these applications are pending for past more than seven years and have not been prosecuted with the sense of urgency that is demanded and expected in such cases. Without deciding any wider questions including that of maintainability and purely on account of delay and laches present applications are dismissed.
